

Can you identify?

Sent: 2020-03-04 @ 20:05

Case: F058-335-20

Author: INV. CROWN

On 3/2/2020, at approximately 1430 hours, an unknown multi-colored van (pictured above) aided an unknown female, arrested for 2800.2(a) VC, 31 VC, 148.9 PC, and 23152(g) VC, flee custody at San Francisco General Hospital. The female escaped custody from San Francisco General Hospital at 1430 hours and the van was last captured on surveillance video leaving the hospital on 23rd Street at approximately 1433 hours. The van is a multi-colored older model van, with an unknown license plate, and possibly a lift able r/v roof. The identity of both the female and the male are still unknown. I am looking for any information that can lead to the identity of the male and female. If you can identify any subjects associated with this vehicle or if you contact this van please F.I. all occupants, document the vehicle registration information, and please provide any information to the San Francisco CHP Office at (415) 557-1094 during business hours or CHP Officer Dolcini at Wdolcini@chp.ca.gov. If located after business hours you can email Officer Dolcini or contact the CHP Golden Gate Communication Center at (707) 641-8300 and reference log number 170 from 3/2/2020.
